

Dear Parents,

Get ready for a vibrant celebration! Our pre-primary students will be having a "Colour Week" from September to October, where each day is dedicated to a different colour:

- Green Day: September 2nd
- Blue Day: September 16th
- Red Day: October 9th
- Black Day: October 14th
- Yellow Day: October 18th
- Pink Day: October 21st
- White Day: October 28th

To make it even more special, we encourage students to dress in the colour of the day and bring a food item and toy that match the theme. Let's explore the world of colours together!
